August 2019 VOLUME XVII, ISSUE X

MEETING: 7:00 PM
FIRST MONDAY OF THE MONTH
Center for the Visual Arts

Charlie Phillips

I started off as a decorative Artist in the 80s. I started teaching decorative painting about 5 or so years later so I could pay for more ART supplies plus it is nice to help others with there art work.

Then a woodcarving class was offered at the place I was teaching decorative painting in the 90s. So I decided to try wood carving and soon discovered that it just added another dimension to my decorative painting. After a while I was asked to teach a wood carving as well which just paid for more art supplies.

Empty Bowls is an international effort to fight hunger. We are fortunate to have this program right here in Denton for the benefit of our community.

Empty Bowls is a fundraising luncheon where ticket-holders select a handcrafted bowl of their choice, and are served bread and delicious soup...a ministry of Christ The Servant Lutheran Church in Denton.

All proceeds from this benefit are given to assist the Denton Community Food Center and Our Daily Bread Soup Kitchen located at St. Andrew Presbyterian Church.

TRINITY RIVER WOODTURNERS COUNCIL

Trinity River Woodturners Council's Hands-On Woodturning Retreat will be on October 18 - 19, 2019 at North Lake College, West Campus located at 1401 West Royal Lane, Irving Texas, 75261.

Thursday October 17th is set up day from noon to 5:00 pm followed by a Meet & Greet for all vendors, instructors, volunteers, and attendees that will include a light meal, drinks and a short woodturning demo. The Hands-On Woodturning Retreat instructional days are Friday October 18 and Saturday October 19 from 8:00 am to 5:30 pm. Currently we will have ten lathe location each with four lathes active throughout the day, each day. Each lathe location will accommodate four attendees and one instructor to turn the project for that session. Each session is a full two hours with four sessions each day, both days (eight sessions in all). Many classes are two part classes that involve both on and off lathe activities. The second part of a two-part class will add embellishments to your turning. These may include carving, piercing, pyrography, air brushing, and finishing. We will also offer photography, pen segmenting, Rose Engine lathe demonstration, dissecting burls and possibly more.

Anybody interested in this event has the opportunity to get on the email list for this event by signing up (refer to the Registration menu item on the website).
