AAW
AMERICAN ASSOCIATION
OF WOODTURNERS

As long as I can remember, I have always needed an outlet for my creativity. I view the world around me in terms of special fit, color combinations, and natural form. I see value in what can be, rather than what is. Having recently retired after 32 years in Texas Public Education, I now am able to give my full focus to the creative outlet of woodworking. The passion I put into each of my pieces is in direct reflection of the joy I experience in the creation process. I am deeply honored that the outcome of my love for wood and art can bring happiness to others.

SWAT Symposium 2019 August 23 - 25 2019

Each year, the SouthWest Association of Turners (SWAT) holds one of the largest woodturning symposiums in the world. In 2016, over 800 attendees enjoyed this outstanding event in Waco, Texas.

The next Symposium will again be held at the Waco Convention Center, The SWAT Symposium will offer something for every level of Woodturner.

The Symposium features:

1. An Art Gallery where attendees may display up to 10 art pieces of their work (Some will be for sale).
2. The banquet on Saturday night is highlighted with a drawing for beautiful turned art pieces.
3. A continuation of the drawing (using the same tickets) will be held at noon on Sunday. This drawing will consist of a full size lathe, three midi lathes, a large assortment of woodturning tools and accessories.
4. There will be a myriad of vendors on site selling equipment and supplies at very competitive prices.
5. Lunches are provided during the three-day event for paid attendees.
6. In addition to the many demonstrations, five Special Interest Group sessions are planned.
7. There will be three areas to offer hands-on opportunities to turn something of choice, turn a pen, or sharpen a tool. It is a good opportunity for one-on-one coaching from highly trained turners.
8. Bring your spouse. SWAT will have a full schedule of activities and special classes designed for the non-turning spouse.

Note: Discount price ends August 1. If you can't make it for the whole 3 days go down for the day and see the awesome exhibits and vendors They are free to the public and don't cost you anything unless you buy something. It gives you a chance to touch before buying.

Mark your calendar for September 14. GTW will be making and giving away cars to the kids. We invite all the members of GTW to come down and help with the booth turning cars, handing them out to the kids, and even taking a walk around the square to see all the different cars and venders. It is well worth the day. Even if you can only come for a few hours you will be glade you did. We will be setting up early at 7:30 and taking everything down at 3:00.

TRINITY RIVER WOODTURNERS COUNCIL

Trinity River Woodturners Council's Hands-On Woodturning Retreat will be on October 18 - 19, 2019 at North Lake College, West Campus located at 1401 West Royal Lane, Irving Texas, 75261.

Thursday October 17th is set up day from noon to 5:00 pm followed by a Meet & Greet for all vendors, instructors, volunteers, and attendees that will include a light meal, drinks and a short woodturning demo. The Hands-On Woodturning Retreat instructional days are Friday October 18 and Saturday October 19 from 8:00 am to 5:30 pm. Currently we will have ten lathe location each with four lathes active throughout the day, each day. Each lathe location will accommodate four attendees and one instructor to turn the project for that session. Each session is a full two hours with four sessions each day, both days (eight sessions in all). Many classes are two part classes that involve both on and off lathe activities. The second part of a two-part class will add embellishments to your turning. These may include carving, piercing, pyrography, air brushing, and finishing. We will also offer photography, pen segmenting, Rose Engine lathe demonstration, dissecting burls and possibly more.

Anybody interested in this event has the opportunity to get on the email list for this event by signing up (refer to the Registration menu item on the website).
