September 2nd Demonstration

Don Hawkins

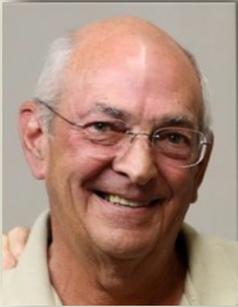

From Log to Bowl

Don is a retired Real estate Broker, is 73 and has been turning since 2003. He lives in Gainesville and has been married to his wife, Dixie, for 49 years. When not turning wood, he likes to travel, play golf and fish.

Don was introduced to wood turning by a customer about ten years ago and found it one of the most enjoyable and relaxing things he has ever done. Don enjoys teaching others "what little I know" he says and as we have all experienced, love to talk about wood turning and showing off. Don enjoys his friendships he has made in the club and looks forward to many more years of making shavings.

For his demonstration, he plans to show the club what he has learned on turning a bowl starting from a log. Don will also share with us his successful tips on how to market and sell our wood turned creations.

President's Platter

JOHN BEASLEY

There was some confusion at the August meeting over the timing of our club challenge to turn a box based on what we learned from Neal Brand's July demonstration on Turned Boxes. At the bottom of the first page of the July new letter there is an "Editors Note: the club challenge for the 3rd quarter will be to turn a box." Sometime during that July meeting I must have miscommunicated the timing for bringing the boxes because a lot of folks brought their works to the August meeting. I apologize for the misunderstanding. Please bring the boxes to the September meeting where we will have a separate "Boxes Show and Tell" and take pictures of the boxes and their proud owners.

This year's SWAT symposium appeared to me to be one of the best. We had quite a few of our members there and we were easy to spot in the new shirts. I was especially proud that we, as a small club, had one of our members and my friend, John Solberg, as one of the demonstrators. John did his duck program. He did a great job and I hope you will take a moment at the next meeting to give John a "good going"!

Roanoke Days on Saturday, October 12th will soon be upon us. We will need volunteers to turn tops and cars at the event, as well as turning before the event, so that we have enough inventory to take care of all the kids.

Our demonstration this month on "Bowl From a Log" by Don Hawkins is a follow up to our earlier "Back to Basics" demonstration on turning a bowl. This, as well as our discussion on the classic curves in bowl design, should give us a pretty complete coverage on the basics of turning good bowls.

"Practice your spindle turning techniques. It will apply to most all turning you might get involved with."

Bowl of the Month Club

To date we have 144 bowls submitted for the Empty Bowls Program. That is a quit a bit behind last year but we have a few left over so the pressure has been off. We still need to concentrate on getting bowls turned for October. The following are the Bowl of the Month Club members that have donated bowls so far this year:

Gary Armitage	1	Teddy Twombly	16
Greg Ammon	7	Robert Voth	5
Sharon Ayres	1	Joel Rubin	4
John Beasley	27	Dick Koch	12
Neal Brand	12	Mike Zunkowski	5
Bill George	9	Other	5
Don Hawkins	1	Unknown	10
Tom Lohr	5	Total	144
Dale Lloyd	20		
John Solberg	9

TAG Donations

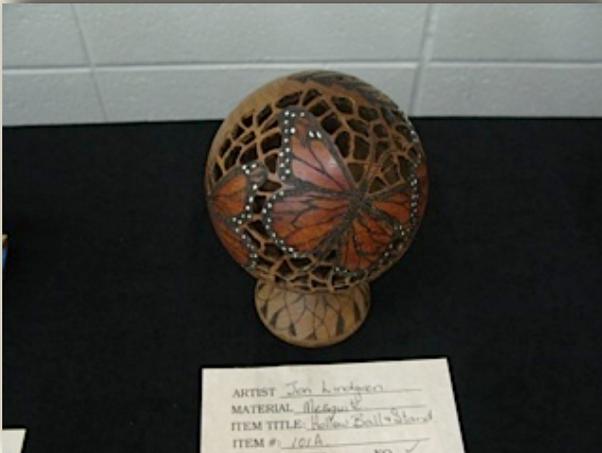

The Arts Guild of Denton holds an annual auction to benefit art programs in Denton County. As an organization that benefits from the use of the Visual Arts Center we have been asked to donate turnings to the auction. Linda Creagh will be at the September meeting to give more information. Although the auction is later in the fall, Linda needs to have commitments from us in the next few weeks. She will bring forms that will ask for a description of the object and its value. If you have something in mind to contribute, you are encouraged to fill out the form at the meeting. If you are not able to attend the September meeting, but you wish to contribute a piece, contact Neal Brand and he can send you a form.
