# THE WOODTURNER

[www.goldentrianglewoodturners.org](http://www.goldentrianglewoodturners.org)

MEETING : 7:00 PM  
FIRST MONDAY OF THE MONTH  
Center for the Visual Arts  
Bell and Hickory  
TELEPHONE (940) 387-7062

## Ken Rogers

We moved to Richardson in 1976 and I started turning in '91 after seeing some hollow vessels at a gallery in Wimberly, TX. I joined Ft Worth club almost immediately and learned a lot from the members there. In '96 a few of us started the Dallas club and for several years I was active in both clubs. I have done demos at all four area clubs and SWAT. You can see samples of my turnings in my gallery on the DAW Website:

## President's Platter

Sam Slovak

It is always entertaining when Graham Priddle demonstrates his techniques and last month was no exception. But we don't come to meetings to be entertained but to learn and expand our skill sets as a woodturner. Again Graham performed masterfully as a teacher. His techniques pushed me outside my conservative turning practices and introduced me to new finishing materials.

I stopped by the Visual Arts Center this week and ask what kind of public reaction to the exhibition of your works. I was informed that the DCAC felt the responses were positive with some patrons spending considerable time viewing the works.

SWAT is rapidly approaching and another opportunity to attend and learn something else. For those of you who have never attended, I encourage you to go and to those who regularly attend I look forward to seeing you there.

So go out to your "studios" this month and learn, turn and create something new to share with us at our next meeting. Turn safely

## SWAT 2015

**Register before August 1st and save 20-25% over the onsite registration.**

Registration is now open for SWAT 2015 with two convenient ways to register, either online or by mail.

We have tried to make it as easy as possible for you to register this year, online using Pay Pal or with the old snail mail. Either way gets you in the door for the second biggest Turning Symposium in the world. Our goal is to give you the best demonstrators, vendors, Instant Art Gallery and learning experience for your buck, and still include lunch every day in a relaxed informal atmosphere. Where else could you find:

- 54 turning classes (Rotations as we call them)
- electronically delivered Handbook
- great lunch
- the biggest Instant Art Gallery of all the symposiums
- Special Interest Groups (SIG)
- more (Tool, Art and Wood) door prizes
- 3 lathe give away
- over 45 vendors in 80+ booths
- along with Internationally known turners such as Jimmy Clewes (Wood World of TX), Stewart Batty (Woodworkers Emporium), Molly Winton (Wood World of TX)... demonstrating in the vendor area all for \$140

We have also added the sale of Door Prize Tickets (Formerly Raffle Tickets) to our registration forms to make it easy for you to order more tickets ahead of time. You will be able to pick them up at the Registration Window and add them to the bin when you arrive. We will also have people roaming the floor selling tickets all during SWAT and at the Banquet. Because of State regulations on non-profit organizations holding raffles we have reclassified these as door prizes.

This year we will not be printing the Demonstrator Handbook. Instead we will be delivering it by email to everyone around August 1st to give you the chance to:

1. Look through and decide what Rotations you would like to attend.
2. Print out a portion or the entire Handbook to take with you to the Symposium.
3. Transfer it to your laptop, tablet or phone to take with you.
4. Formulate and write down any questions you have for the demonstrator a head of time.

This also allows for printing and viewing in color, something we have previously been unable to afford. You can also bind it the way you prefer, spiral, 3 ring binder, staple... etc. For those who do not have an email we will have printed copies at registration. We will also have a few for sale at the window for \$3 while they last.

**Early registration ends August 1st after which you will need to register onsite for a 20-25% higher registration fee.**

## **[SWAT Rotation Schedule now online.](#)**

Besides the attached 2015 Rotations Schedule you can now view it on our website, to make it easier [here is the link](#). Go through and get all of those great demonstrations highlighted so you won't miss the ones you really want to see. Things like: Spherology, Digital Photography for the Woodturner, Surface Enhancement, Design and Turn Delicate Wooden Ornament, Segmented Sculpture, just to name a few of the 54 Rotations scheduled for this year. Visit our webpage of [Lead Demonstrators](#) and [Regional Demonstrators](#) or visit their websites below for more information.

Don't forget our great lineup of Special Interest Groups (SIG's) either and to help you make it on time we will be having an Italian Dinner night 6-7:30, Caesar Salad, Lasagna, Chicken Spaghetti, Italian Veggies, Garlic Rolls, Dessert and Tea. It is being setup by Joe Blanek this year so it is sure to be good. Tickets for this great dinner are [on sale on the website](#) for \$12. Tickets need to be purchased in advance for this dinner so we have the correct number of servings to get ready. *As always if you have special dietary needs for any meals, please contact Joe Blanek at [blaneksc@yahoo.com](mailto:blaneksc@yahoo.com).*
