

October Virtual & Live Meeting

Joel Rubin

I have been turning for 20 years. I am a retired Emergency Physician. I turn whatever comes to mind and interests me. I do not have a particular style.

I tried inside-out turning a few years ago and found it an interesting technique.

I will try to show you the basic principles of this technique.

Sept Demo

This past demo sure took things down a notch, but in size only! Gary Sanders did a nice demo on his mini forms most of which are glue ups of veneer layers to make some really interesting patterns. He has a nice assortment of home-made tools he used to hollow these tiny turnings. While he did have a tough time with a few pieces exploding, it's sometimes a relief to those of us that plan on attempting these that even the pro can make mistakes as these aren't easy! So take your time and don't get frustrated when turning. Persistence always pays off!

News

Cars, Cars, Cars! What a fun project! We will have some car blanks at the October meeting for anyone who would like to turn a few. They can be as realistic or futuristic as you'd like! Kids love them and it's a great way to introduce the club to the local communities during festivals. Give a few a go and make a kiddo's day! They will be given away at the upcoming Celebrate Roanoke. There are 690 completed cars and many blanks that are ready to turn! We will be making them at Roanoke as well so we hope to see y'all there! A big thanks to those that came to the open shop to help make more cars, we made 90 that day!

Miscellaneous Club Information / Upcoming Activities

President's Letter

Fall is here. We will again be at Celebrate Roanoke October 9.

Please join us as we turn and giveaway cars. The kids and parents are very appreciative. We have a good time, turn cars, and eat good food. We would really like to see more of you turning out for this event.

The October demo will feature me showing how to make Christmas ornaments using the inside-out technique. We will also have a hands on teaching session at Sam Slovaks house on October 23 for those of you that would like to try these.

Don't forget to put our Christmas party December 7 on your calendar.
