This is a yearly event for our club to help Roanoke celebrate and to hand out some of our cars. It gives us an opportunity to tell others about our club and show off some of our skills. See the flyer and the sign-up sheet at the club meeting. It really is great to get the whole club out and it really is a lot of fun.

THE WOODTURNER

Sand Paper Organizer for Sale \$20 Donation

There are a few ways that the GTW club can generate monies for operations. We charge a small yearly dues and we have raffles. This helps us to bring people in to do demo's and to have open shops. The money collected at the demonstrations we do like Roanoke and Denton Jazz Festival only pay for the materials for the cars we hand out.

John Beasley has designed and made a number of Sand Paper organizers for the club. This is to help the club generate more money for the year and provide you with a product. These are a great way to get your shop organized. I for one have bought one for my lathe area and love it. First time I can look up and see if I need to get more paper before starting a project. I am more prepared to finish now and it makes working in my shop so much more fun. I will be buying a second for another area of my shop. These make a great gift for other wood workers. Support the club and get your sand paper organizer.
