

MEETING: 7:00 PM
FIRST MONDAY OF THE MONTH
Center for the Visual Arts

Rebecca DeGroot

Even from the time when I was a small child, I loved being in the shop. I would regularly follow my dad out to the wood shop to watch him work on his many ongoing projects. This curiosity as a child steadily turned into a passion of my own as I grew into an adult. As a woodworker with a very large imagination, it is hard for me to escape the fact that every living thing has a past. I believe that this idea has become more evident in my recent work. I try to incorporate the life of the material into my work whether it is through the natural form and highly refined surface of the wood grain or through alterations to the natural order of the domestic object. Each piece has a character buried within its surface and I do my best to bring its personality out in my finished work.

6th Segmenting Symposium Registration

October 11 – 14, 2018

St. Louis, Missouri

SWAT President needs help

We are approaching July and the response to my initial request for club presidents to ask their members attending 2018 SWAT to volunteer as raffle ticket sales people has produced very little response. In fact of the 28 SWAT member clubs I have had a response from only 4 clubs – Acadiana, Bayou, Northeast OK & Southeast Oklahoma. That response has produced volunteers for only 11 time slots, far less than we actually need.

Volunteers should contact me directly at rdaunoy47@cox.net with their first and second time slot requests. Volunteers should email their desired time slot(s) and the cell phone number they will have with them at SWAT 2018.

Thanks for your efforts Ron D'Aunoy – Ticket Sales Chair
