Jan 2021 ISSUE 1

MEETING: 7:00 PM
FIRST MONDAY OF THE MONTH
Center for the Visual Arts

January Virtual Meeting Neal Brand

AAW
AMERICAN ASSOCIATION
OF WOODTURNERS

My first experience using a lathe was in junior high shop class where I turned a walnut lamp. I was immediately intrigued with woodturning, but it wasn't until 40 years later that I owned a lathe and turned my second project. I am a member of Golden Triangle Woodturners, Woodturners of North Texas, and the Dallas Area Woodturners as well as the American Association of Woodturners. I grew up on a farm in Northeastern Indiana, and I lived in California, Ohio, and Illinois before coming to Denton Texas in 1983. I am married to Shari and we have two grown daughters and two grandkids.

Continued

There are two things I don't liked about how people usually turn spoons. One is that there is no choice in the shape of the hollow part of the spoon, it is always round. The second is that the hollowing process requires mounting the spoon so that the handle dangerously spins around like a propeller. I intend to show an alternate way to make spoons that allows the turner more flexibility in shaping the spoon and eliminates the need for a spinning propeller. I will also talk about how to make jigs required for the process.

In Remembrance

We have had the passing of 2 of our club Woodturners.

John Foley Beasley

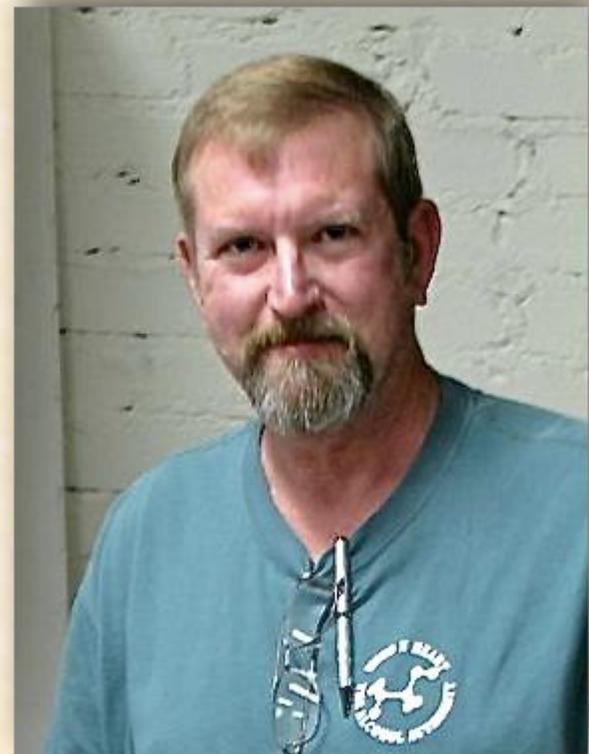

(March 11, 1945 - December 12, 2020)

John was a passionate Woodturner and created many beautiful bowls and other art objects. He served as President of the Golden Triangle Woodturners and on their board for many years. He also gave great Demo's and always was a very positive about woodturning. He opened his shop to the club many times and will be missed.

Phil Joines

Phil passed away December 28th. He wanted to be cremated and did not want a service so at this point I have to honor his request. He really loved the club. For those of you that don't know Phil Joines, he was the person with insight to start Golden Triangle Woodturners and was the first club president. He was very knowledgeable about woodturning and was at many meetings and shop events.
